OUR FLAG IS THERE

The Stars and Stripes Raised in Porto Rico, U. S. A.

A QUIET, DIGNIFIED CEREMONY.

The Work of the Evacuation Commission Now Over, and the Reports Will Be Forwarded to Washington—The Americans Worked Without Delay.

San Juan de Porto Rico, Oct. 19.—Promptly at noon yesterday the American flag was raised over San Juan. The ceremony was quiet and dignified, unmarred by disorder of any kind.

The Eleventh regular infantry, with two batteries of the Fifth artillery, landed in the morning. The latter proceeded to the forts, while the infantry lined up on the docks. It was a holiday for San Juan, and there were many people in the streets.

Rear Admiral Schley and General Gordon, accompanied by their staffs, proceeded to the place in carriages. The Eleventh infantry and band, with Troop H, of the Sixth United States Cavalry, then marched through the streets and formed in the square opposite the palace. At 11:40 a. m. General Brooke, Admiral Schley and General Gordon, the United States commissioners, came out of the palace with many naval officers and formed on the right side of the square. The streets behind the soldiers were thronged with townspeople, who stood waiting in dead silence. At last the city clock struck the hour of 12, and the crowds, almost breathless, and with eyes fixed upon the flagpole, watched for developments.

At the sound of the first gun from Fort Morro Major Dean and Lieutenant Castle, of General Brooke's staff, hoisted the Stars and Stripes, while the band played the "Star Spangled Banner."

All heads were bowed and the crowds cheered. Fort Morro, Fort San Cristobal and the United States revenue cutter Manning, lying in the harbor, fired 21 guns each.

Senor Munoz Rivera, who was president of the recent autonomist council of secretaries, and other officials of the late insular government, were present at the proceedings.

Congratulations and handshaking among the American officers followed. Eminent King hoisted the Stars and Stripes on the intendencia, but all other flags on the various public buildings were hoisted by military officers. Simultaneously with the raising of the flag over the captain general's palace many others were hoisted in different parts of the city.

The work of the United States evacuation commission is now over, and all the reports will be forwarded to Washington. The labors of the party have terminated with honors for all concerned. The American commissioners worked without the least delay, and in the most thorough and effective manner.

PYTHIAN NOTES.

PYTHIANS, ATTENTION!

The captains of all of the companies of the city are ordered to assemble their companies at Blooming Lily Hall, Monday night, October 24, '98 in full dress uniform at 8:30 sharp. By order of MAJ. E. A. WASHINGTON.

Unity Lodge held its regular meeting October 14, and conferred Rank of Esquire on Page John Jackson. After business of importance the lodge closed to meet on the 28th inst. Sir T. J. Blackwell is out again.

Myrtle Lodge met Thursday night at their castle hall. Much business of interest was transacted.

Too much praise cannot be given Lieut. J. A. Smith and Colonel T. W. Mitchell for their untiring efforts in behalf of the committee on Amputated Works. They have visited most of the lodges in the city and have made speeches in behalf of the project and suffice to say have met with success at nearly every point. The lodges of the city seemed to be anxious to purchase a first-class outfit that will reflect credit upon the order in the city and will be worthy of showing to strangers.

Nothing but first-class material will produce the desired effect and make the scene of reality.

Old Dominion Lodge degree team will make their initiatory presentation of the drama in their future on or about the 27th of October. They will work on a candidate from Planet Lodge by mutual consent and possibly some other lodge will have a candidate ready for the 3rd rank before that time. There will doubtless be quite a number present to witness the affair and it is earnestly hoped that those who attend may be quiet that the performance may not be disturbed. The occasion will be a memorable one and rights will be witnessed by many for the first time.

Master of Exchequer James L. Burrell of Planet Lodge, 23, is as yet confined on account of sickness. He is one of the bona fide members of Planet Lodge and stands well in the community. His residence is 1028 St. Peter St.

Richmond Lodge, 1, the first instituted in the State held its meeting Monday night. We are told that the attendance was good and harmony reigned supreme. How good and how pleasant it is for brethren to dwell together in Unity.

Planet Lodge, 23, met Monday night.

THE PRESIDENT'S RECEPTION.

Though Not Down on the Program For a Speech, the Chief Magistrate Was Compelled to Respond Briefly to the Plaudits of the Multitude.

Chicago, Oct. 12.—Five thousand people packed within the walls of the Auditorium witnessed the formal launching of the peace jubilee yesterday. A heavy drizzle, that at times changed into rain, and then back into drizzle, was falling, the streets were filled with puddles of water and a cold wind blowing off Lake Michigan made walking unpleasant. Notwithstanding all these obstacles the opening of the jubilee proper was a distinct and brilliant success.

It was announced that the ceremonies would commence at 10:30 a. m., and fully an hour prior to that time the street in front of the Auditorium was jammed with an eager crowd.

After the doors had been thrown open there was a long wait for the speakers. Finally they were seen coming down the main aisle and the crowd broke into a cheer. Owing to a misunderstanding it took some time before the President McKinley entered the hall. On his ride from the residence of Mr. McWilliams the president was escorted by the Chicago Hussars and the mounted police. As the president entered the hall his appearance was the signal for an outburst of enthusiastic cheers.

The Cow Was Homestead.

The cow has long been regarded as an unemotional creature. But in a town "down on the banks of the Wabash" there is one who establishes the bovine claim to fine feelings.

Dr. Smith, of the Wabash place, bought her from a Miami County farmer and brought her home. When she reached her new stable she refused to enter it. After a while she was persuaded to do so, but she refused to eat and gave up her time to melancholy reflection.

Of course this told upon her health and she soon ceased to give milk. No one could guess what the matter was except an old farm hand.

"That old homestead," said he. The ailing animal was returned to Miami County and forthwith became the sprightliest of her kind and regained her reputation as "a good milker" at once.

It makes you look nice to have finely laundered cuffs and collars. Call up the Richmond Steam Laundry.
